

Sedona Community Center

Volunteer Opportunities

All of our social service programs rely on the efforts and energy of generous volunteers. The commitment can be as easy as a couple of hours per month. Many of our volunteers enjoy their work so much that they contribute on a daily basis. The choice is yours and is very much appreciated by so many.

[Home Delivered Meals – Meals on Wheels](#)

Volunteer drivers deliver meals to home-bound clients Monday through Friday between 10:30 and 1:00 PM, except on holidays when SCC is closed. An important part of the meal delivery includes a wellness check. Drivers are asked to commit at least one day per week as a regular driver, or be available on-call as a substitute driver. A reliable vehicle and a cell phone are required to use while in the field. All drivers must be cleared by the Department of Public Safety.

[Breakfast Club Packing](#)

Volunteers fill grocery bags with breakfast food items each Thursday afternoon from 1:00 – 2:00 PM. The bags are sent out to Meals on Wheels clients with the Friday meal delivery to provide additional food for the weekend.

[Community Lunch Servers and Greeters](#)

All in the community are invited to join us Monday through Friday in our dining hall for a delicious, nutritious, hot meal. They can enjoy the friendly atmosphere, meet with and make new friends. Our volunteers serve meals, greet diners or help with kitchen clean up. A food handler's card is required for all but greeters. There is a free (for volunteers) class held at 10 S. 6th St. Cottonwood, AZ in the Municipal building on Tuesdays at 3:30pm. Card is issued at the end of the class. Bring proof of legal residency such as a Driver's license. Early registration is not required.

[TeleCare Callers](#)

Our TeleCare program provides the peace of mind that comes with daily telephone calls to individuals in need of a wellness check and/or those who are homebound and may enjoy social contact or a medication reminder. TeleCare is available 365 days a year and is free of charge to Sedona area residents. We are able to offer this service due to a cadre of dedicated, caring, concerned volunteers. Each volunteer calls the list of clients one day per week.

[Mailings, Special Events](#)

From time to time we need volunteers to help us create and prepare bulk mailings, participate in special events, or help package the Breakfast/Weekend Club program grocery bags. We are also looking for dedicated Board Members. Ask us for a packet.

The Sedona Community Center (SCC) is a non-profit 501 © (3) tax exempt organization.
All contributions directly benefit the above social programs
